

FAYETTE COUNTY SCHOOL SYSTEM
ATHLETIC AND EXTRACURRICULAR PARTICIPATION
CODE OF CONDUCT CONTRACT

Interscholastic extracurricular programs are a vital part of the total educational program and a means of developing wholesome attitudes and good human relations, as well as knowledge and skills. The Fayette County School System encourages participation in a variety of extracurricular activities.

Participation in school athletic and extracurricular activities is a privilege and not a property right. All students, parents, coaches, and sponsors understand that the top priority is academic achievement. The purpose of the Code of Conduct is to establish high expectations regarding behavior and minimum/consistent consequences when violations occur. However, **coaches/sponsors may establish consequences that are more stringent than the stated code.** Team/organization rules must be in writing and approved by the administration of each school.
